The Administration's objective is to provide educational opportunities for the students which will help them develop academically, morally, physically and socially. The Administration plans and supervises a curriculum which allows the students many diversified needs of the individual student. This continuing program also requires cooperation from the student body, the community and the faculty. The cooperation between all groups in the Wyomissing Area High School in the past has made the curriculum an asset which the Administration hopes will continue to exist in the future with quality educational opportunities to meet the needs of the entire student body.

SERVICES PROVIDED FOR MANY

The Service Department of the Wyomissing Area High is a greatly appreciated asset of our school. Throughout the year, the department is there to help and guide the students. The department ranges from an organized, well-run library to the health services and on to the audio-visual expertise.

The Service Department also expends their time and energy to provide the students with opportunities for fulfillment. The *Audio-Visual Club*, *The Library Club*, and *The Health Careers Club* help in this endeavor.

ENGLISH DEPARTMENT

The English Department provides numerous courses, including Accelerated, Academic and Business English. A variety of semester courses exists for eleventh and twelfth grade students. Accelerated courses are offered to students in all grades. In providing such a wide selection of courses, the English Department succeeds in teaching students the fundamentals of composition, standard usage of English and vocabulary skills.

MATHEMATICS DEPARTMENT

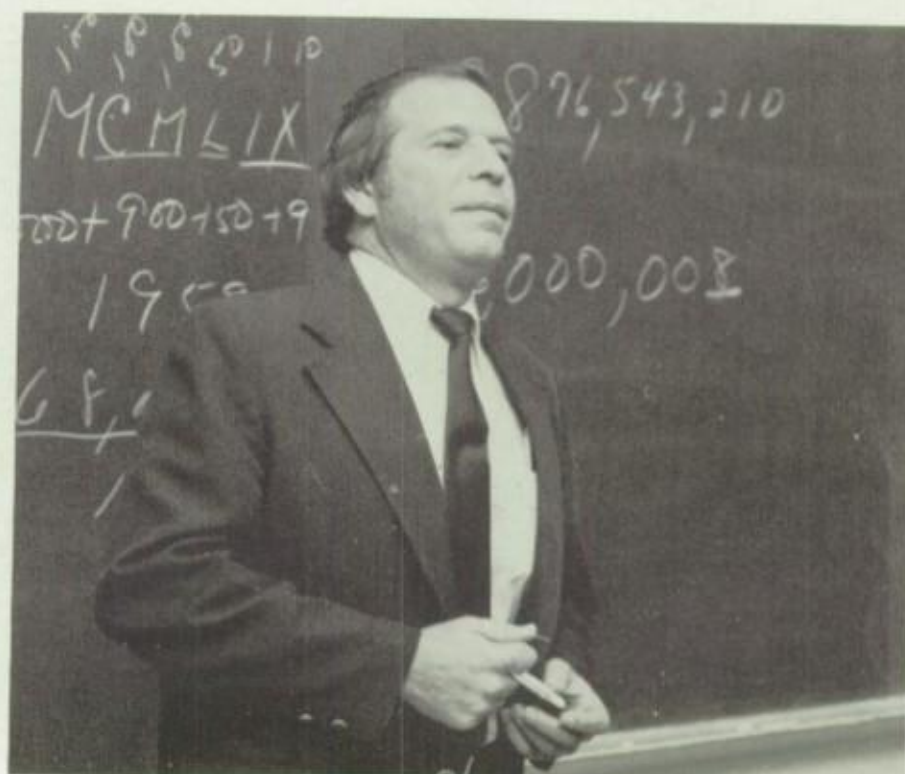

5.

The Mathematics Department wishes to congratulate the students of the class of 1980 and hopes that the mathematics studied during high school will meet their needs. The diversity of mathematic courses offered verifies that the department is trying to meet the wide variety of needs even in a time when the need for mathematic skills is increasing very rapidly. Included are such courses as: Applied Mathematics, Trigonometry, Calculus, and Computer Programming.

6.

7.

LANGUAGE DEPT.

The Foreign Language Department offers majors in Latin, French, Spanish and German, but further participation in many extracurricular activities enhances students to become interested and involved with foreign cultures. Because this exposure to different attitudes gives the student a more realistic outlook of the world, members of the department expand classroom activities through *the French and Spanish Clubs*, a *Roman Banquet* and *the Fastnacht Festival*. The students are given an opportunity to sample foreign dance, drama, food and customs, and they enjoy themselves while they learn.

Mr. Deacon, in the Music Department, conducts the Marching Band to a rousing crescendo at football games and concerts. Mr. Cattell harmonizes the musical flow of the award winning Chorus. Both men share the responsibility of teaching the theory and composition of music to the Advanced Music Class.

The Home Economics and Industrial Arts Departments, managed by Mrs. Wealand and Mr. Stephens, respectively, provide skills and opportunities for students to incorporate in their daily lives and perhaps a satisfying career.

Mr. Rausch instructs the sophomores in the required in-class Driver Education course. He then hits the road for one-on-one road experience with the students.

Mrs. Ritter in the Fine Arts Department offers an art for everyone. The Arts and Crafts course is for the student who enjoys art just for the fun, whereas the serious art student can elect the Art Major course.

9.

HEALTH AND PHYSICAL EDUCATION

The Physical Education Department offers a variety of activities to maintain the physical fitness of the students and to create a change of pace in the academic schedule. Students learn the skills and technique of numerous sports, while learning teamwork and cooperation.

In addition, the Physical Education Department teaches required health classes for juniors, in which the emphasis of study is on human anatomy, physiology and personality development.

BUSINESS DEPART- MENT

The Business Department strives to meet the needs of the ever increasing business world. Today, more than ever before, the business trend is increasing. The Business Department helps students to develop marketable skills in secretarial work, accounting, and business law. Business courses are not only for the business majors, but also numerous skills are taught to students which are useful in everyday life. Since business is the wave of the future, the Business Department is an essential ingredient in aiding students to become skilled in business positions.

ACTIVITIES

IT'S A SMALL WORLD

Spirit Week '79 was a great success. The theme was "It's a Small World"; the seniors took the Orient. Other regions were the juniors with Africa, the sophomores with the U.S.A., and the freshmen with Egypt. The seniors captured first place in both the hall, and the activities competitions to take their third, overall Spirit Week title. Overall, second place went to the juniors, third to the sophomores, and fourth to the freshmen.

PRIDE AND SPIRIT

Under the direction of Mr. William Deacon, the band provides entertainment and enthusiasm on the field and in the stands at all football games. The highlight of the marching season was the band's second appearance at the Gimbel's Thanksgiving Day Parade in Philadelphia. After the marching season, the band moved indoors to perform a Christmas concert, as well as two concerts in the spring.

SPORTS

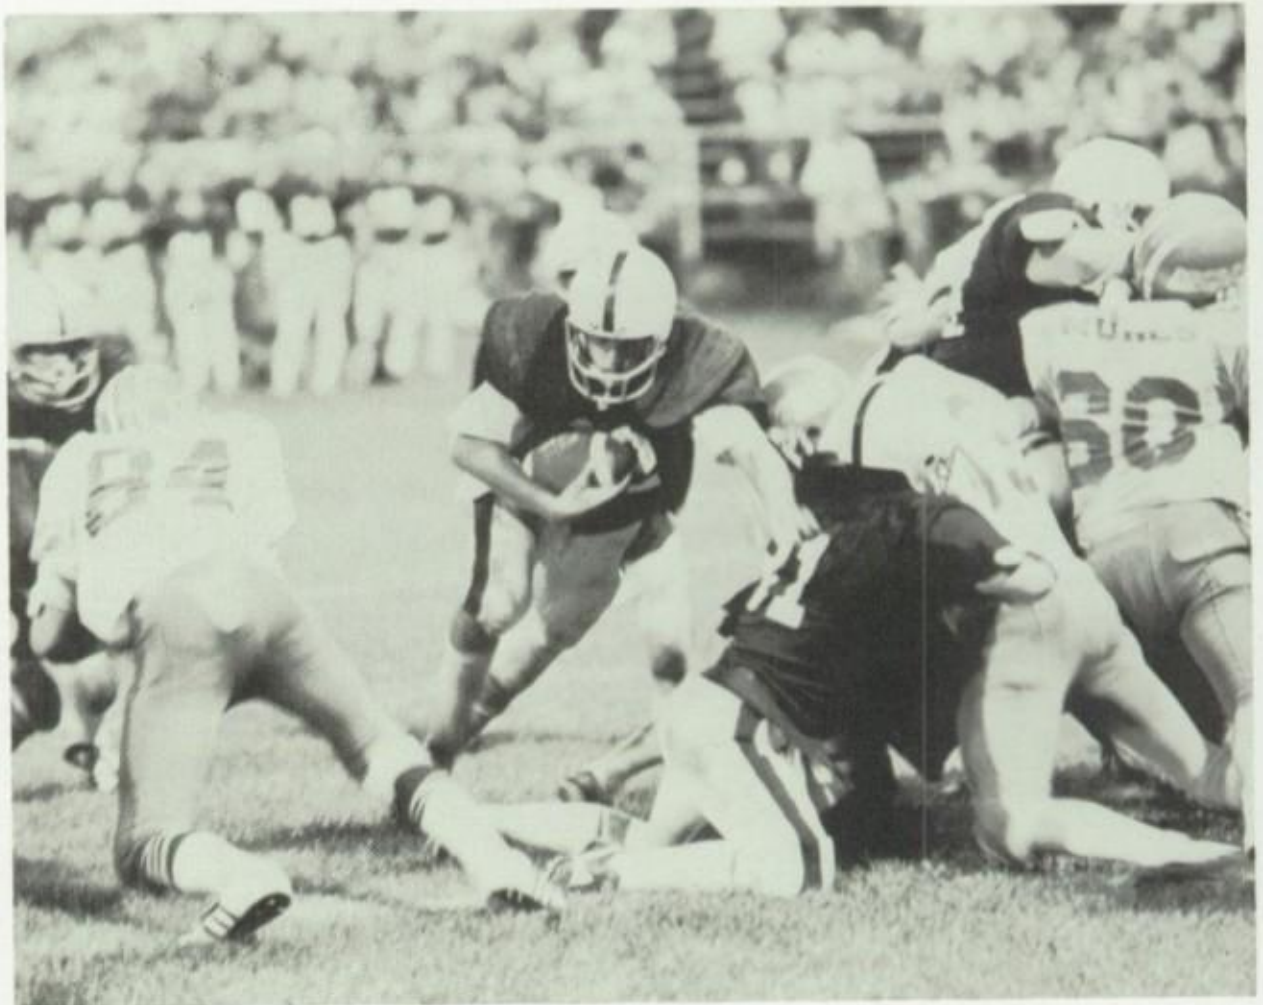

RECORD SEASON

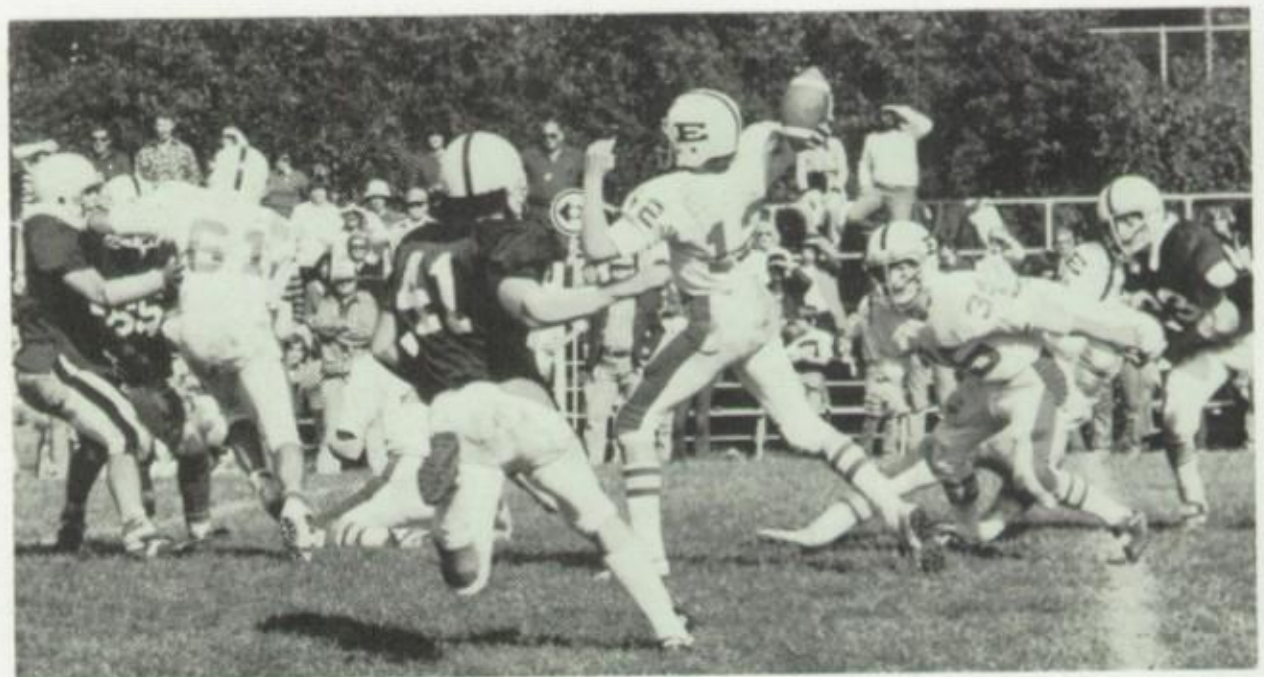

The Spartans opened the season with hopes for a championship team. The loss of All-County quarterback Mike Grant suddenly diminished these hopes. But the mighty Spartans did not give up; they turned the program around and produced their best record in seventeen years at 7-2-1.

Led by linemen Mickey Morrissey and Pat Nally (All-County and All-League) and backs David Bennis and Greg Lamey (All-League), the Spartans displayed super attitudes and fierce desire in coming within one game of the league championship. The team had a stunning upset victory over heavily favored Lansdale Catholic, as well as an upset tie against league champions Holy Name. Superb performances were also turned in by sophomore quarterback Matt Bennis and lineman Steve Capazello, as well as senior defensive end Martin Keller and defensive back Brian Giles.

Head coach Jack Paris credits the team's success to the players' hard work, undying spirit, and dedication. With the experience gained by this year's underclassmen and the possible return of injured Mike Grant at quarterback, a league title may be in the Spartans' near future.

GIRLS ACE OPPONENTS

This year's tennis team finished on a very up beat note, 8-4. The second half of the season was marred by only one loss, and that was after a close 3-4 match against Reading High School. The team showed a definite improvement in their skill level as the season progressed. After having suffered defeats at the hands of Wilson, Reading, and Mifflin in the first half, the girls turned an about face and defeated Wilson, Mifflin, and came within one game of defeating Reading.

The girls are to be commended on their unfailing efforts on behalf of the team. Despite its small number and relatively young age of its members, the girls proved formidable opponents against much larger schools.

A ROUGH ROAD

This year's cross country team posted a 2-5 record in dual meets. This record is not indicative of the team's ability because two of the losses were by a total of three points. The team's chances were hindered by having so few participants, but they still placed fourth in the Muhlenberg Invitational and fifth in the Salesianum Invitational. Much of the success was due to the individual effort of Chris Lundin. Chris placed first in five of the seven dual meets and made the Section I All Star Team. He also came in fourth at the Muhlenberg Invitational and third at the Salesianum Invitational.

LOFTUS LEADS GOLFERS

Varsity golf was plagued with misfortune this fall. It was difficult to compensate for the loss of four of last year's seniors, but next year, only the first man, Kevin Loftus, will have graduated. The winless team anticipates a productive season from David Kamens and the other underclassmen in the future. Coach Rita Wagner's guidance is greatly appreciated, and hopefully next year's team standing will reflect everyone's hard work.

REPEAT OF FINE SEASON

Despite the fact that the Varsity Field Hockey Team had only three returning starters, the team finished with a respectable 8-5 record. Under the guidance of new head coach, Mrs. Susan Werner, the girls survived a shakey start. Captains Marie Harter and Maria Feicht provided the leadership necessary to make the team a winner. Maria and Eileen Devlin led the team in scoring. Maria was also a unanimous selection to the All-County Field Hockey Team for her second straight year. The graduation of these and other seniors will be a great loss to the team; however, the great number of experienced underclassmen should make next year's team just as successful.

The J.V. field hockey team reached 3-5-4 this season while learning the basics under Coach Stephens. The highlight of the season was the 2-0 shutout over Conrad Weiser who had crushed the Spartans 4-0 earlier in the season. Next year's prospects look even brighter because the freshmen displayed much talent.

Having only two players with any experience, the JV girls spent most of their season learning the fundamentals from Miss Pribish who is coaching her first season for Wyomissing Area. The team improved greatly by the season's end, and next year's record is expected to reflect this improvement.

SPARTAN POWER CONTINUES

The Spartan girls, sparked by experienced seniors and confident underclassmen, continued their winning tradition, compiling a league record of 12-4 despite numerous injuries to the starters towards the end of the season. The team's overall skill, determination, and spirit proved to be an almost undefeatable combination for all of their opponents. Although Maria Feicht and Paige Brenner will be missed greatly next year, the strength of the underclassmen should continue to make the Spartans a dominant force in both the county and the district. Maria was selected to the first team All-County and Paige to the second team.

SUCCESSFUL B-BALL SEASON

The Spartan Roundballers finished their regular season with a successful 15-7 record. The Spartans had the potential to be a championship caliber team, with returning starters Kyle Miller, Scott Chapin, and Mike Grant, and top subs Dennis Brennan, Tom McDonough, and Kevin Hollinger. The team, however, was plagued by injuries and sickness, and thus came up short in their quest of the county championship. Even so, the Spartans qualified for the P.I.A.A. District III tournament for the tenth season in a row under Coach Dick Sherry.

SPARTAN GYMNASTS AND DIVERS

Although lacking in numbers, this year's gymnastic, swimming, and diving teams impressed everyone with their talent and dedication. VICTORIOUS SPARTAN WRESTLERS

This year the Spartan wrestlers, coached by Jack Paris, had a successful season, despite having to give two forfeits each match. The team was led by seniors Martin Keller, Mike Prutzman, and Fred Stoyer. Martin and Fred captured the sectional title for each of their weight classes. Fred went on to place third in district competition as well. After placing fourth in the sectionals, Mike Prutzman surprisingly won second place in the district tournament and went on to place fourth in the state. This superb individual accomplishment was an appropriate finale to a fine season for the entire team.

SENIORS

There was a time, quite long ago,
When we were young and wished with all
Our hearts that we might stand where we
Now stand, and be what now we are
For we were little then and sure
That time for us stood still. But notch
By notch, it moved us upward through
The love and hate and pain and fear
And fun of growing up until
We, blinking, stand upon the edge
Of this, our world, equipped with both
A future and a past. Though some
May meet and talk and smile again
The magic moment we once shared
Is lost for all eternity.

Good luck, my friend, for now we part,
With each a little of my heart.

John H. Updike

When we leave this place of learning
And go on paths unclear,
Your inspiration, preparation,
And your memory dear
Will guide us through our lives.

ACKNOWLEDGEMENTS

In May of 1979 twenty-four bewildered students entered Room 217 knowing only that they were to create the 1980 Colophon. One yearbook later a great sigh of satisfaction and relief emanated from the family of twenty-four, and the father of the family, Mr. Charles Bell, nodded in approval.

I now have the pleasure of thanking the entire Colophon family, for it is the staff's hard work and cooperation that made this yearbook a quality publication. Our family hopes that we have captured the events and the faces of this memorable year, and have successfully portrayed life at Wyomissing Area High School. Mr. Bell's invaluable guidance and Mr. Gebensleben's financial wizardry are greatly appreciated; Mr. Edward Partrick, Taylor Publishing Company, deserves a great deal of credit as do photographers Mr. Robert Rasbridge and Mr. Harold Messer.

To the community thank you for your financial support. You gave our family the opportunity to work together creatively on the 1980 Colophon.

Finally, I would like to thank section editors and their highly competent staff, the art and the business departments, and especially my assistant editor, Kevin Loftus. Thank you.

To the ancient Greeks, the "Colophon" was an inscription placed at the end of the manuscript with facts relative to its production. The 1980 Colophon staff has attempted to capture the events in spirit of its senior year at Wyomissing Area High School. We affix this "Colophon" inscription — an identifying symbol of excellence signifying the termination of an accomplished endeavor — in hope that our yearbook has merited this mark of excellence.
